NEW BALTIMORE

Polish Kremówka Papieska (Papal Cream Cake)

The famous Kremówka, also known as Papal Cake or Polish Cream Cake, is a delightful dessert with layers of flaky puff pastry and rich custard filling. This traditional Polish Napoleonka is beloved for its light texture and sweet, creamy flavor.

BERLIN BROTHERSVALLEY HIGH SCHOOL'S CORNERSTONE

The cornerstone for the Berlin Brothersvalley High School was laid on May 23, 1936 by the Referend Dr. D. S. Stephen. The building was dedicated by Dr. Lee L. Driver, former Chief of Consolidation and Transportation in the Department of Public Instruction in Harrisburg.

The class of 1938 was the first graduating class in the new high school building.

DONATIONS AND UPDATES:

Connie Landis donated BBHS's Class of 1938 commencement program and their 50th anniversary reunion booklet from 1988; This & That – Berlin's school newspaper dated May 27, 1937; Holy Trinity Evangelical Lutheran Church's booklet of 1944; and several Berlin post cards. Barry Landis donated the 1983 200th anniversary newspaper story dedicated to the Berlin Fife and Drum Corps and numerous older edition of our Memos.

Dan Weighley, Jr. has been doing a great job keeping our walkways open using Don Landis Trucking's donated snow plow.

We have three of Robert Blubaugh's colorful wall hangings on display – the lower Humbert covered bridge and the Burkholder covered bridge. Both of these wall hangings are for sale. A third wall hanging featuring the Packsaddle covered bridge hangs on the wall behind the curator's desk. It has been purchased.

Cindy Flamm has been taking care of the deposits and bills while Stewart Saylor has been recovering. Thank you to our volunteers for all your services.
